

## BAGMOOR ONE DAY EVENT

The 23rd April was Poacher Harness Club first one day event of the season at Bagmoor, Scunthorpe, with 15 turnouts on the day.

Due to lack of space the dressage arena was 20m x 50m and was set up to use the Indoor winter season test with a varied range of results!! The twisty cones course consisted of 16 gates, including a "box" which tested many of the competitors!!

There were four obstacles along a short marathon course through the woods and tracks resulting in 3 turnouts committing small misdemeanours, awarding them a place in the 100 club.

The day ended with a cuppa and a chin wag, two members were celebrating a birthday that weekend so were presented with a customary card and a cake of which we all helped to consume.

A big thanks to all the course builders, stewards and to our dressage judge, Jill Latchford and her writer Aileen, for helping to make a successful day and also to mother nature for a warm sunny dry day - true Poacher weather.
