EAGLE MOOR ONE DAY EVENT

MIKE LAWSON - WINNER OF THE DRESSAGE

Eagle Moor was the venue for the Poacher event this month, and as usual we had (I shouldn't gloat really) lovely weather.

Richard Wheeldon was the dressage judge for the morning session giving very constructive comments with his feedback sheets, this was followed by a challenging cones course with a couple of cricket scores being achieved and in one instance the sad demise of a cone !!, how dare it stand in the path of an angry pony !!

SIOUX GARDNER

DAWN DICKENS

After lunch was a mini marathon including four obstacles utilizing the venues own cross country fences, they each drove with ease and flowed nicely, the days spectators being a large flock of seagulls which had my own back stepper cringing due to her fear of all birds ??

At this event we were joined by some new faces, three little shetties. A shortened course was incorporated for the afternoons' proceedings and I think it's safe to say they really enjoyed themselves which is the ethos of a day with The Poacher Harness Club.

EMMA WILKES

WENDY STEVENS

As always we cannot run these events without the people who give up their time and day to course build and steward, many thanks to all.
