

RESULTS and REPORT FOR SUNDAY

After the very enjoyable training session with Liz Pears at Grimoldby on Sunday a very light-hearted Cones competition took place, the result of which, down to 6th place is as follows:

- 1st Sue Smith
- 2nd Julie Jackson
- 3rd Carol Roberts
- 4th Gail Joughin
- 5th Sheila Brookes
- 6th Carol Wood

This was followed by an interesting drive around the local lanes, which lasted about an hour, directed by Kieran, and accompanied for the first half mile by a very smart pigmy goat who believes it is a dog! We must have looked a strange sight as we snaked around the lanes in a long convoy!!

Although the day started wet, the weather cleared up late in the morning. The whole day had a very relaxed atmosphere about it and it was good to see that 3 of the club's newcomer's attended.

The day finished at about 5pm with a small presentation of rosettes and thanks to Liz and Kieran for their time and hospitality.
